Sir:

INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith the references on the attached form PTO 1449, copies of which are enclosed.

Applicants certify under §1.97(e) (1) that these references were cited in a PCT International Search Report in a counterpart application not more than three months prior to the filing of this Information Disclosure Statement.

This submission does not constitute a representation by Applicants that a search has been made or that no better art exists and does not constitute an admission that any of the listed documents is material or constitutes "prior art". Applicant reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

It is respectfully requested that the Examiner initial and return copies of the enclosed form PTO-1449 with the next Patent Office communication.
